## Rate My Boyfriend Overview

### **Description:**

Does your station/site cater to teens or young adult women? If so, this new application will be a huge hit! Rate My Boyfriend is a new photo rating product that allows users to post photos of their boyfriend or husband for others to rate. It's easy to upload photos and fun to rate them! Whether you are curious to see how others will rate your boyfriend or if you just want to rate others, there is something for everyone. It is great fun and a quick way to earn thousands of page views!

### **Unique Features:**

- User Photo Submissions
- Facebook Login and Invites
- \$1,000 Photo Contest
- Photo Comparisons, Ratings and Comments
- User Best & Worst Categories
- Top Rated, Commented and Favorited

### **Advertising Opportunities:**

Media partners retain the naming rights and own 100% of the ads around the application. We have designed this application to produce the highest profitability for our clients and their sponsors. Dell Sports maintains a Google ad inside the application to help defray hosting costs.
